

Schwalbe is Europe's leading brand for bicycle tires. Our innovative, high-quality products are developed at our German headquarters and are produced at the Schwalbe production facilities in Indonesia and Vietnam. Schwalbe tires are found globally in almost every market. Our family-owned business has grown solidly and operates the marketing, sales and logistics from the German headquarters. Further expansions within new and existing markets bring a bright perspective to the company and all of our employees.

**To support our team at the French Schwalbe subsidiary, based in Morestel, we are currently searching for a**
